Analyst (Contract) – GBM via Russel Tobin/Magnit

- Global Banking & Markets / Structured Finance & Lending - Private Equity Operations

Municipal Advisory Council of Texas

Austin, TX | May 2024 – Aug 2024

Financial Analyst Intern

- Imported, validated, and reconciled 50+ ISD CAFRs into a statewide database supporting \$10M–\$100M bond issuances.
- Reviewed debt schedules, pension/OPEB disclosures, ADA metrics, and revenue data for statement-to-statement consistency.
- Exceeded 102% of production targets while upholding rigorous accuracy standards across audit-driven data.
- Communicated with district officials to verify data anomalies and promote audit transparency.

Amazon Seller (Self-Operated)

Dallas, TX | Dec 2020 – Apr 2025

Inventory & Financial Operations Lead

- Managed \$2K–\$10K rolling inventory across 250+ SKUs; increased GMROI ~18% through pricing and reorder optimization.
- Automated monthly profitability, supplier performance, and cash-flow reporting using Excel and VBA.
- Negotiated directly with suppliers and developed a sourcing strategy based on seasonal demand shifts
- Forecasted demand and set reorder points to reduce stockouts and excess inventory holding costs.

Mint Moving LLC

Lubbock, TX | Aug 2023 – Dec 2024

Operations & Finance Assistant

- Coordinated 25+ residential and commercial projects, managing logistics, invoicing, and collections.
- Built cash-flow and expense trackers to support weekly margin reviews and budget adherence.
- Documented workflows to improve job cost transparency and reduce billing errors.

Projects

- **Equity Simulation Model:** Excel/VBA scenario testing tool emphasizing auditability and interpretability.
- **Valuation Case Study – Boeing:** Built FCF valuation model and delivered a decision-oriented analysis.
